

*Lee Chang-ho's  
Selected  
Life & Death*

# Motto

*“It is a matter of life and death, a road either to safety or to ruin.*

*Hence it is a subject of inquiry which can on no account be neglected.”*

— Sun Tzu: *The Art of War*

# Preface

This is a collection of 727 problems from Lee Chang-ho's Selected Life and Death Go Problems, originally published as a six-volume series. The problems become more difficult as one proceeds through the volumes. All the problems are **black to move**. Enjoy solving the problems and developing your reading skills.
