# *Cho Chikun's Encyclopedia of Life & Death*

Part 2 — Intermediate

*"It is a matter of life and death,*
*a road either to safety or to ruin.*
*Hence it is a subject of inquiry*
*which can on no account be neglected."*

*— Sun Tzu: The Art of War*

## Preface

The Encyclopedia of Life and Death by Cho Chikun is a collection of almost three thousand problems. All shown as **black to play**.

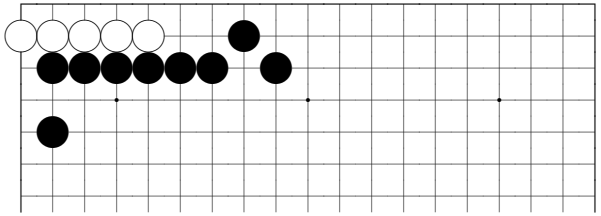

In the second part, you can find almost nine hundred problems aimed at strong kyu players. If you're stronger, you can benefit by speedrunning it.

## Third edition note

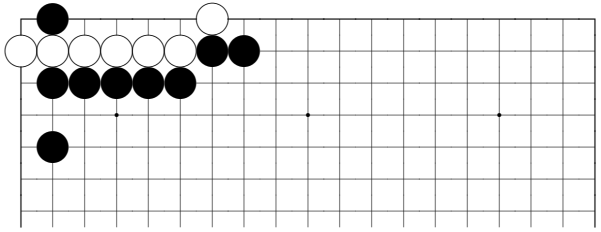

Originally published November 2004, it's been twenty two years. This booklet has been downloaded over a hundred thousand times. I never imagined the reach it would have. And — glad you asked — some of the problems are still unsolvable!
