Gokyo Seimyo

"It is a matter of life and death, a road either to safety or to ruin.
Hence it is a subject of inquiry which can on no account be neglected."

— Sun Tzu: The Art of War

Preface

Gokyo Seimyo was published by Hayashi Genbi in 1835 as a sequel to Gokyo Shumyo. This booklet contains 145 diagrams from Volume 3, three of which are reference diagrams, and the rest are problems to solve. Problems are shown as **black to play**.
