Gokyo Shumyo

"It is a matter of life and death, a road either to safety or to ruin.
Hence it is a subject of inquiry which can on no account be neglected."

— Sun Tzu: The Art of War

Preface

Gokyo Shumyo is a classical problem collection published by Hayashi Genbi in 1822. Its name could be translated to English as "Brilliances from go classics". The collection consists of 520 problems. All positions are shown as **black to play**.

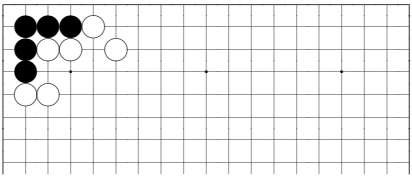

Sections

1. Living (103 problems) 1
2. Killing (71 problems) 10
3. Creating a ko (90 problems) 17
4. Capturing races (96 problems) 25
5. Oiotoshi (40 problems) 35
6. Connecting (74 problems) 39
7. Various techniques (46 problems) 47

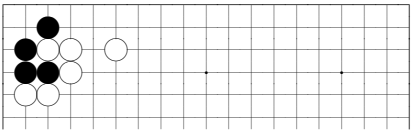

Third edition note

Originally published 2006, it's been twenty years. This booklet has been downloaded over a hundred thousand times. I never imagined the reach it would have.
